# 'VASELINE' HAIR TONIC

**The World's Best Preparation for the Hair.**

Everybody should realise the importance of giving the hair daily care. Ordinary washing and brushing is not effective in preventing germs attacking the hair—those germs which destroy the roots and prevent growth. Keep your hair clean and the roots healthy by using every day a little 'VASELINE' Hair Tonic. No need for vigorous rubbing or to use large quantities. Use it as an ordinary dressing. It will restore and preserve the strength of the hair, maintain vitality, and keep the scalp clean and sweet. Delicately perfumed, it will make your hair as beautiful as it ought to be.

Try a bottle, 1/-, 2/-, and 3/-. If not obtainable locally, a trial bottle will be sent, post free to any address in the United Kingdom, upon receipt of P.O. for 1/-, 2/-, or 3/-, or stamps.
